Dear members of the Red Deer South community,

I am writing to give my enthusiastic endorsement to Adele Poratto, who is running to be nominated as the United Conservative Party candidate for Red Deer South in the next provincial election. Adele is a leader in our province and in the community. She is an entrepreneur and small business owner and her success running a business for over 20 years makes her a valuable role model for women.

She is also a long-time volunteer for the United Conservative Party and the party needs more people like her. Adele is a pillar in the community and displays loyalty to the members of the organizations she serves. She is the former president of the Rotary Club and actively volunteers with her church.

I have had the pleasure of knowing Adele for many years and I can confidently say that she would make an excellent MLA. She is dedicated, hardworking and highly ethical. She understands the needs of the community and is committed to finding solutions to the challenges we face in our province. She is a strong advocate for small businesses and is dedicated to ensuring they have the support they need to thrive.

Adele's experience and leadership skills, her dedication to community service and her commitment to conservative values make her the ideal candidate for Red Deer South. I strongly encourage you to vote for Adele Poratto in the upcoming nomination and, as I genuinely hope, as your MLA in the next provincial election.

Sincerely,

Hon. Christine Cusanelli, ECA, B.Ed., MA, MBA
