

## **Partnership Invitation** **An Event to Celebrate International Women's Day**

**March 6, 2026, Blue Grass Garden Centre**  
***Intentional Women: Choosing the Year You're Living***

### **Invest in the Women Who Strengthen Your Business**

International Women's Day is more than a date on the calendar. It's a meaningful opportunity to recognize, invest in, and connect with the women who contribute to your business — as clients, team members, and leaders.

I'd love to invite you to purchase a reserved table of eight at our exclusive in-person lunch experience designed to help women pause, reset, and intentionally choose how they want to show up for the rest of the year — personally and professionally.

### **Why This Matters for You as a Business Owner**

The strongest businesses are built on strong relationships.

Imagine inviting eight of your valued women clients, staff members, or partners to sit together at a table you've hosted — not to sell to them, but to invest in them.

To say:

"We see you. We value you. And we want to pour back into you."

That kind of gesture builds loyalty far deeper than a transactional touchpoint ever could.

### **What Your Guests Will Experience**

- A meaningful, inspiring message focused on clarity, confidence, and intentional leadership
- Practical tools they can apply immediately in their work and lives
- A guided Word of the Year experience to anchor focus and decision-making
- Real conversation and networking with other thoughtful women

- Lunch in a vibrant garden centre setting

... and we will conclude with a ***Confidence-Centred Fashion Show!***

Enjoy a fun and inspiring fashion experience designed to spark creativity and confidence. See how current trends can be reimagined, explore fresh clothing combinations, and rethink how you want to show up — in every area of life.

This show also gives insight into the stories behind designers' collections and offers a wonderful opportunity to connect with local designers.

Your guests will leave grounded, clear, and energized.

And they'll remember that *your business created that opportunity for them.*

## **The Investment**

## **A Simple Question**

***Who are the eight women connected to your business that you would love to honor, encourage, and deepen relationships with this year?***

This is a powerful, meaningful way to do exactly that.

I would love to reserve a table in your company's name and partner with you in creating a memorable International Women's Day experience for the women who help your business thrive.
